

SHEBBEAR COMMUNITY SCHOOL

*From Sally Strange
Acting Head Teacher*

Last Term

Already Christmas seems a dim and distant memory, however I must mention two things - the lovely Christingle Service held at St Michael's Church which was very well attended by friends, family and members of the community; and the excellent Drama Club production 'Five Gold Rings' which, again, was extremely well supported by everyone.

your resolution might be, it is always interesting to hear what the children have to say. We have created a tree on which all of our resolutions are attached (see photo) it will be interesting at the end of the year to see how many of them have been kept and achieved!

Our Drama Club is really going from strength to strength and we very much look forward to the next production which will take place in the Summer Term.

New Entrants

We are delighted to welcome Nathan Deimert, Jade Luxton and Charlotte Nethacott to Shebbear Community School, we hope you will be very happy here with us (see picture).

Reading

We are currently undergoing a real focus on reading and have recently invested in some lovely new fiction and non-fiction books to encourage the children to read more. We have also 18 hung photos around the school of children pictured with the favourite book and giving their reasons as to why the book is a favourite with accompanying quotes. After half-term another 18 will be on display - look out for them, they make interesting reading.

Mrs Haden

As our parents already know, Mrs Haden has now handed in her resignation which will take effect at Easter. Already the process to find her successor is underway and I am sure that many of you would want to join with us in wishing Mrs Haden and her family every health and happiness for the future.

New Year's Resolutions

Or as someone said 'New Year's Revolutions!' I am determined to eat more healthy food, others may want to spend more time with their family, get to school on time - or become a pop-star - whatever
